Re: NMCI - Maritime Advice Days 2017

Dear Guidance Counsellor

Some time ago we wrote to you concerning a maritime event at the National Maritime College of Ireland in Ringaskiddy. We are about to embark upon a series of around Ireland events to inform our CAO applicants of the significant opportunities available within a maritime career. We work very closely with international shipping companies to provide placements on board a variety of ships, at the same time providing educational degrees and professional seagoing qualifications to support progression within the industry.

If you feel that you would like your students to be informed fully of the options available or that you consider it an opportunity for staff updating, then please select from the following list of venues *and return the reply slip below* to indicate your interest in attending at one of the events. This information session will take approx. 1.5 hours (including Questions and Answers).

<i>Date</i>	<i>Time</i>	<i>Venue:</i>
