

CAREER OPPORTUNITIES IN ESB

Electrical and HGV Mechanic Apprenticeships in ESB

ESB, Ireland's leading energy company, is seeking dynamic people like you to join the company to help us deliver our 2025 Corporate Strategy over the coming years.

ESB Networks Ltd. carries out the construction, maintenance and operation of the distribution and transmission electricity network in the country. This includes sub stations and the overhead and underground electricity infrastructure that are used to bring electricity to Ireland's 2.3 million domestic, commercial and industrial customers.

ESB Networks Ltd. also services and maintains a large fleet of light and heavy goods vehicles at various ESB locations throughout the country.

We are now seeking applicants for both Electrical and HGV Mechanic Apprenticeships. Training will commence in autumn 2014.
