

UNDERGRADUATE PROSPECTUS 2022

You can download a copy of our 2022 undergraduate prospectus or request a printed copy [here](#)

OPEN DAYS

Our open days give students, parents and teachers the opportunity to meet our staff, find out more about our programmes, check out student life, talk to our support services and lots more.

We are pleased to announce our open day dates for the 2021/2022 academic year:

Friday November 12th 2021	Discover Your Options (Virtual)
Saturday November 13th 2021	Discover Your Options (On-Campus – booking essential)
Tuesday January 18th 2022	Make Your Choice (Virtual)
Saturday May 7th 2022	Be a Student for a Day (On-Campus)

For more information or to register, [please visit here](#)

CAO HUB

The CAO Hub includes lots of information and videos on accommodation, Sligo as a student destination, sports, student supports, clubs & societies and lots more. [Visit the IT Sligo CAO Hub](#)

MENTAL HEALTH PODCAST

IT Sligo Student Counselling Services have just launched their brand-new Mental Health Podcast. The first episode features mental health advocate Bressie and Counsellor Gertie Rafferty. This is the first of six episodes that will be released every Tuesday. The Podcast will touch on topics such as consent, body image, sex positivity and much more. You can access the [Mental Health Podcast here](#)

FREE MATHS GRINDS

Higher and ordinary level Leaving Cert Maths students, alongside higher-level Junior Cert Maths students, can access [free maths grinds here](#). *Eva's Maths Grinds* has been produced by IT Sligo Electronic and Computer Engineering lecturers Eva Murphy and Seán Mullery. Students have access to over 500 videos which work through previous exam paper questions.

IT SLIGO AND SLIGO ROVERS FORM NEW WOMENS TEAM

IT Sligo in partnership with Sligo Rovers have announced plans to form a senior women's team with a view to joining the SSE Airtricity Women's National League from the 2022 Season onward. IT Sligo will offer sports scholarships giving women players the opportunity to play at senior level at Sligo Rovers. For more information contact colm.jinks@fai.ie

MAJOR DEVELOPMENT WORK BEGINS

Contracts have been signed and work has commenced on two major developments at IT Sligo. The project will include a complete rebuild of J Block (below), turning the single floor 1970's building into a modern four storey complex that will enhance the modern state-of-the-art campus which has seen significant development over recent years.

The second contract was signed for the rebuild of Block L in the Institutes north campus. Block K, which is situated beside Block L, is now complete. These blocks will facilitate the consolidation on campus of the recently established Yeats Academy of Arts, Design and Architecture and form a North-Campus Creative Hub in IT Sligo. Block L will include a tiered seated theatre which will become a cultural beacon for the northwest region.

The multi-million-euro upgrade is a significant part of the institute's plan to become a Technological University in partnership with LYIT and GMIT.

FOLLOW @itsligo

Be sure to follow **@itsligo** across all Social Media platforms to keep up to date with the latest news and see first-hand videos from our current students. They will be talking about their courses, student life and studying in Sligo. We will also have lots of giveaways throughout the year.

HERE TO HELP

The IT Sligo team are live! Chat to us today or anytime during the CAO window using the contact details below, at our [CAO Hub](#) or through any of our social media channels.
