

# FET Skills Box

## 1 What is the FET Skills Box?

The FET Skills Box was developed by ETBI FET Future Building Skills team in collaboration with stakeholders.

The FET Skills Box is a set of career charts providing comprehensive signposting to the diverse career choices and pathways available within the Further Education and Training (FET) sector.

## 2 Who is it for?

The career charts included in the FET Skills box are valuable resources for learners seeking to upskill, reskill, or transition to new careers by providing information on the pathways and career choices that are available to the learner through the local Education and Training Board (ETB).

## 3 ETBI Digital Library

The various course options available within the FET Skills Box can be found in the ETBI Digital Library.

An overview of these courses in the ETBI Digital Library is accessible by [clicking here](#).

Career Guidance counsellors can also avail of the FET Skills Box to provide knowledge of the different course options within FET across a wide range of sectors which include:

- Construction
- Climate & Green,
- Tourism & Hospitality
- Healthcare
- Business
