ACHIEVE YOUR FULL POTENTIAL CHOOSE MTU

# What's On Open Day 2024

MTU's Open Day is an ideal opportunity for prospective students, their parents, guardians and guidance counsellors, to sample the enormous range of courses and facilities on offer. MTU offers 123 CAO course options for 2025.

Throughout our Open Day, we will be holding an extensive range of activities that will be particularly beneficial to students selecting higher education courses and planning their future careers.

The main features of the Open Day will be a Careers Exhibition in the MTU Arena and a series of information sessions, workshops, demonstrations, exhibitions of student work and laboratory visits that will take place in numerous departments throughout the various campuses (please find schedule in this Open Day brochure).

Students will have the opportunity of meeting with lecturers and students who will answer queries, and current students will be on hand to recount their own personal experiences and offer advice.

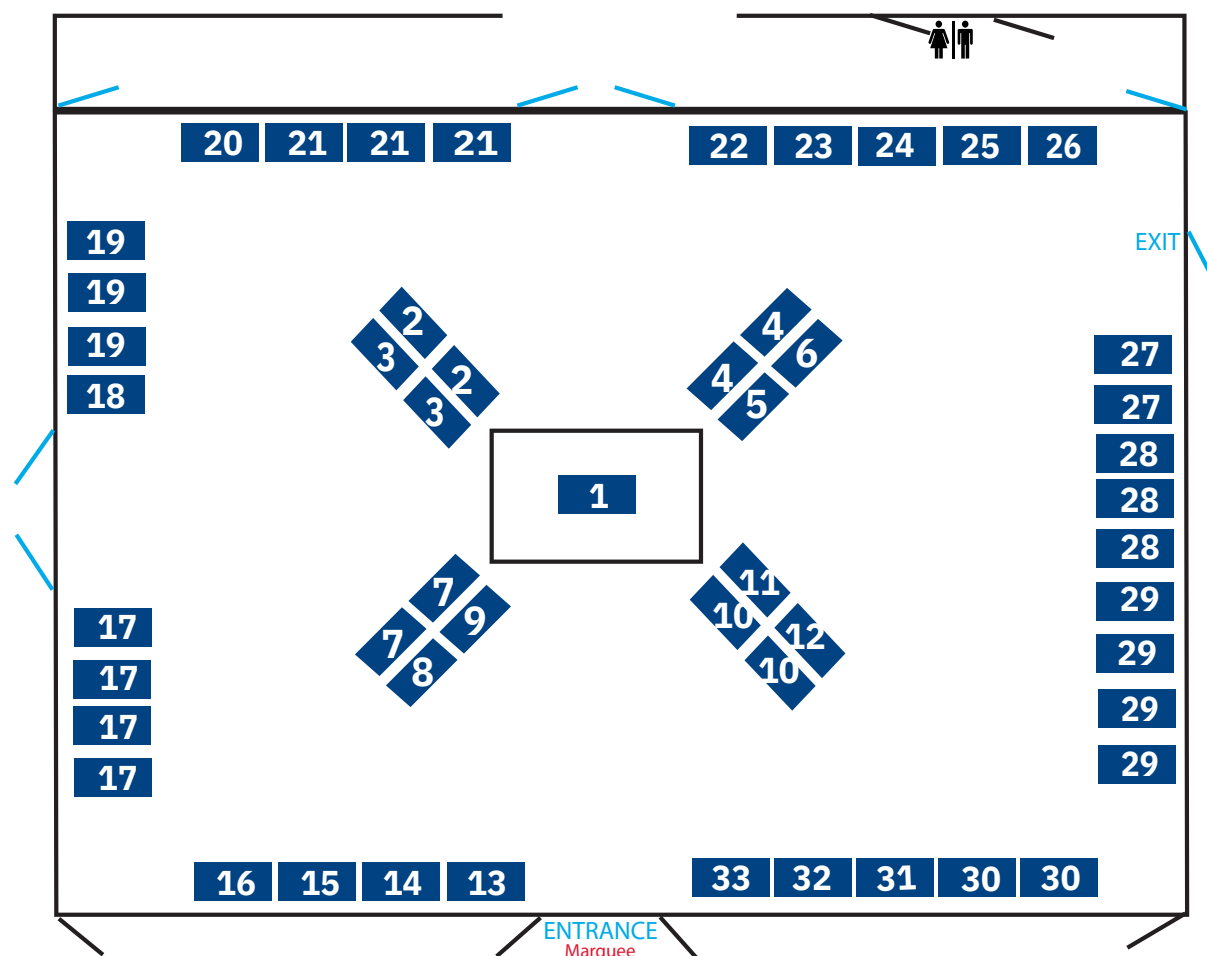

There will be an opportunity to see the extensive facilities available in MTU including extra-curricular activities. Organised tours will also be available in order to allow students to get a feel for the MTU campuses.

## **ENJOY YOUR DAY!**

- Tourism Building
- Carmine Building

Information Session

Guided Tour

Laboratory Demonstration

Common Entry Programme

Department	Events	Times Friday 15th Nov	Location
Physical Sciences	<b>Information Sessions &amp; Tours</b>		
	Environmental Science & Sustainable Technology (MT878)	10:45am/11:45am	→ C214
	Analytical Chemistry with Quality Assurance (MT874) and Analytical & Pharmaceutical Chemistry (MT774)	10:30am/11:30am	→ C214
	Physical Sciences (Common Entry) (MT870, MT770)	11:15am/12:15pm	→ C214
	Applied Physics & Instrumentation (MT782), and Instrument Engineering (MT833)	11:00am/12:00pm	→ C214
Biological Sciences	<b>Information Sessions</b>		
	Biomedical Science (MT871)	10:30am/11:30am/12:30pm	→ IT2
	Nutrition & Health Science (MT876)	10:30am/11:30am/12:30pm	→ D230
	Pharmaceutical Biotechnology (MT873)	10:30am/11:30am/12:30pm	→ C231
	Agri-Biosciences (MT879)	10:30am/11:30am/12:30pm	→ B241L
<i>Information relevant to the Applied Biosciences (MT775) and Biological Sciences (Common Entry) (MT875) will be presented during the Nutrition &amp; Health Science, Pharmaceutical Biotechnology, and Agri-Biosciences information sessions.</i>			
Nursing and Healthcare Sciences	<b>Information Session</b>		
	General Nursing (MT926) and Mental Health Nursing (MT927)	1:00pm	→ IT2
Computer Science	<b>Information Sessions</b>		
	Software Development (MT800, MT700)	10:30am/11:30am/12:30pm	→ B225
	Computer Systems (MT802)	10:30am/11:30am/12:30pm	→ B219
	IT Management and Cybersecurity (MT805) & Information Technology and Cybersecurity (MT705)	10:30am/11:30am/12:30pm	→ B217
Architecture	<b>Information Sessions</b>		
	Architecture (CK606), Architectural Technology (MT859, MT759) & Interior Architecture (MT860, MT760)	11:30am/12:30pm	→ J140 Architecture Factory Melbourne Building
	<b>Tours of Architecture Factory Studios and Facilities</b>	12:15pm/1:15pm	
Civil, Structural & Environmental Engineering	<b>Information Sessions &amp; Tours</b>		
	Civil Engineering (MT731) & Environmental Engineering (MT761)	11:00am/12:00pm	→ B228
	Structural Engineering (MT831)	11:30am	→ B190
	Engineering (Common Entry) (MT830)	10:30am/12:30pm	→ B190
<i>Department tours will feature Land Surveying, Materials, Structural &amp; Environmental Engineering Laboratories</i>			
Mechanical, Biomedical & Manufacturing Engineering	<b>Information Sessions including Tour</b>		
	Mechanical Engineering (MT836, MT736)	11:00am/12:00pm	→ P104 Carmine Building
	<b>Information Sessions including Tour</b>		
Biomedical Engineering (MT839, MT739)	11:00am/12:00pm	→ P103 Carmine Building	
<i>Department tours of Robotics Lab, Mechatronics Lab, CNC Lab and 3D Printing Lab</i>			

Department	Events	Times Friday 15th Nov	Location
Process, Energy & Transport Engineering	 <b>Information Sessions &amp; Tours</b>		
	 Sustainable Energy Engineering (MT837) <i>Tour of Energy Engineering Lab</i>	11:00am/12:00pm/1:00pm	→ A286
	<b>Information Sessions &amp; Tours</b> Chemical & Biopharmaceutical Engineering (MT838)	11:00am 12:00pm 1:00pm	→ IT4 → B282 → IT5
	<i>Tours of Chemical Engineering Labs after each session</i>		
Process, Energy & Transport Engineering	<b>Information Sessions &amp; Tours</b> Automotive Business Management & Technology (MT847) and Automotive Technology & Management (MT747)	10:30am/11:30am/12:30pm	→ A184
	<i>Tours of Garage Facilities and Vehicle/ Engine Diagnostics Laboratory after each session</i>		→ A184
Construction	 <b>Information Sessions</b>		
	 Construction Management (MT856),  Quantity Surveying (MT857) & Construction (Common Entry)(MT 758) (including problem solving task)	11:00am/12:00pm/1:00pm	→ B222
Electrical Engineering & Electronic Engineering	 <b>Information Sessions &amp; Tours</b>		
	 Electrical Engineering (MT845, MT745)	10:30am/11:30am/12:30pm	→ B168
	Electronic Engineering (MT846, MT746)	10:00am 11:00am 12:00pm	→ B276 → B170 → B168
	Smart Product Engineering (MT844) <i>Department tours to Makerspace, Machines and Smart Systems Labs</i>	10:00am/11:00am/1:00pm	→ B168
NMCI	 <b>Information Stand</b>		
	National Maritime College of Ireland	10:00am-2:00pm	→ NMCI Stand MTU Arena
Accounting & Information Systems/Agriculture	 <b>Information Sessions</b>		
	Accounting (MT942)	10:00am/12:30pm	→ IT1
	Business Information Systems (MT944)	10:30am/11:30am	→ IT1
	Agriculture (MT750)	1:00pm	→ IT1
Management & Enterprise/Organisation & Professional Development	 <b>Information Sessions</b>		
	 Business (Common Entry) (MT550), Business Technology & Communications (MT551)	11:10am/12:00pm/1:00pm	→ IT3
Marketing & International Business	Marketing (MT943)	12:00pm/1:00pm	→ P101 Carmine Building
	International Business with Language (MT945)	12:20pm	
	Global Business and Pilot Studies (MT946)	12:40pm	
Sport, Leisure & Childhood Studies	 <b>Information Sessions</b>		
	Coaching Science & Sports Pedagogy (MT915), Sport & Exercise Management (MT910), Recreation & Leisure Management (MT510)	11:00am/12:30pm	→ Exam Centre in Melbourn Building
	Early Childhood Education and Care (MT972) Montessori Education (MT970)	10:15am/11:45am	
Applied Social Studies	 <b>Information Session</b>		
	Social Care Work (MT573)	11:30am	→ G1.6 G Block
Tourism & Hospitality	 <b>Information Sessions</b>		
	Tourism Management (MT947, MT552), Hospitality Management (MT948, MT554), Culinary Arts (MT555) and Culinary Studies (MT655)	10:30am/11:30am	→ Training Restaurant, Tourism & Hospitality Building
	<b>Information Sessions</b> Home Economics and Business (MT930)	10:45am/11:45am	→ T114
	<b>Home Economics and Business Demonstrations</b>	10:00am-12:00pm	→ T118 Ionad Cruthaithe
	<b>Culinary Demonstrations</b>	11:00am/12:00pm	→ T117
Centre of Craft Studies (Apprenticeships)	<b>Guided Tour of Workshops</b>	11:15am	→ Centre of Craft Studies Stand MTU Arena
	Carpentry & Joinery, Electrical & Electrical Instrumentation, Plumbing & Pipefitting, Metal Fabrication, Welding & Fitting (MAMF), Construction Plant Fitting & Motor Mechanics, Refrigeration & Air Conditioning, Plastering.

## Five Steps to choosing a Higher Education Course

### Step 1: You and Your Interests

What areas of occupation are you interested in? Do you have a flair for writing, music, sport or science? What are your leisure interests? Identify your own preferences and strengths – whatever they may be. Ask a professional such as your guidance counsellor for a test of occupational interests and preferences.

### Step 2: Subjects

If you are preparing for or have sat the Leaving Certificate, there will be particular subjects that you like; (these are often the subjects you perform best at). Your list of subjects will help you to select broad areas for higher education. Talk to your subject teachers and your guidance counsellor. Be realistic when you weigh up your strengths, but don't underestimate yourself.

### Step 3: Get the Facts

There's a lot of reliable information available about careers and courses. You can get this from:

- prospectus, leaflets and career books
- teachers
- guidance counsellors
- parents
- talking to people working in the career
- friends and relatives whose judgement you trust
- your own work experience or summer job
- open days at universities

Don't be slow to enquire. People know this is important to you, and they will help if you ask.

### Step 4: Be Flexible

Be open-minded and flexible. Look at broad careers, not narrow jobs. Many people change jobs several times during their working lives. Look at all the levels: Higher Certificates, Degrees, and Honours Degrees. Remember, MTU will assist you to progress along our "Ladder of Progression" from one level to the next.

### Step 5: Know the CAO System

Most students enter higher education through the CAO. Carefully read the CAO Handbook and take note of the important deadlines and any restrictions that may apply. Remember to place your course choices in genuine order of preference. Remember, the CAO is a selection mechanism based on supply and demand. If you end up with "points to spare", that's okay; what's important is to choose a course that matches what you want. The CAO points required for entry to any course may change from year to year due to supply and demand for places. The points required for the coming academic year cannot be predicted, and past points levels are given as a general guide only. Most important of all, do not judge the quality of a course or its employment value from its points level.

### How to Succeed at MTU

Full-time study at MTU requires a full-time commitment from you. The combination of academic and practical subjects in many of our courses can make for a very busy timetable – usually between 20 hours and 30 hours per week. This schedule means that excellent class attendance and regular study are vital. In other words – consistent study and effort from day one are the secret of success!
