

ART & DESIGN

This course is fundamentally designed to provide students with a portfolio of the highest quality that will attain entry to Art and Design courses at third level both nationally and internationally. The course gives you the opportunity to consider if a future in Art and Design is for you and to choose the college and course that suits you best. It enables students to develop their artistic and observational skills and to explore creativity and personal expression. This course enables direct entry into year 2 in some colleges.

Entry Requirements

- Leaving Certificate standard or QQI Level 4 or mature students (23+)

Career & Employment Opportunities

This one year Art and Design course gives students an opportunity to develop and explore their creativity using different aspects of Art, Craft and Design. One of the prime objectives of the course is to assemble a portfolio of high quality work, which may afford the student entrance to a course in any art college within the EU. Students may also look for employment in the following areas:

- Animation & Illustration
- Computer Graphics
- Ceramics
- Art & Design Teaching
- Advertising
- Performing Arts
- Fashion & Textile Design
- Film & Character Production
- Tattoo Apprenticeships
