

## ADVANCED CERTIFICATE IN COMMUNITY DEVELOPMENT (WITH PSYCHOLOGY)

Our comprehensive one-year level 6 programme equips learners with the tools and expertise needed to thrive in community driven environments. Throughout this course, you will delve into various modules that form the backbone of community development. Each module is designed to provide a comprehensive understanding of fostering community growth and resilience. By exploring these modules, you'll gain practical skills in conflict resolution, effective team collaboration and a deep comprehension of psychological aspects crucial in community dynamics. The course promotes principles of inclusion, equality and social justice. This programme emphasises hands-on experience, encouraging students to apply learned theories to real-world scenarios, ensuring a well-rounded and practical skill set upon completion.
